

Directions to new ANMC Internal Medicine, Podiatry and Pulmonology clinics

In mid-May, the ANMC Internal Medicine, Podiatry and Pulmonology Clinics will be in a new location to better serve our people. The clinics aren't moving far— only across the pond to the Healthy Communities Building (HCB) on the west end of campus.

Driving directions from the former clinic location:

- From Diplomacy Drive, turn right on Tudor Centre Drive
- Turn left on Ambassador Drive
- Turn left into driveway right before you get to Elmore Road
- The clinic will be located in the second building on your left, 3900 Ambassador Drive

Walking directions from the former clinic location (path in orange dashed line):

- Walk west (toward pond) on Diplomacy Drive
- Cross Tudor Centre Drive and walk through parking lot and around south end of the pond
- Continue on bike path along back side of HCB
- The back clinic entrance will be on your left
