

ANMC Speciality Clinic wait times: Days to Third Next Available Appointment

October 2015

<i>Clinic</i>	<i>Current Days (Oct. 2015)</i>	<i>Oct 2014; Notes</i>
Cardiology	1	Oct. 2014: 4
Dermatology	15	Oct. 2014: 6 With one provider onboard, it is difficult to maintain a consistent lower third next rate. The provider took some much needed time off, which increased this month's number but the number of days is again dropping. While our third next available appointment is high, the community wait for a dermatology appointment is much longer at three-plus months.
