

PRIVACY POLICY FOR TINITUN™

Welcome to Tinitun™ mobile application (“Tinitun App” “we,” “our,” or “us”). This Privacy Policy describes how the Tinitun App collects, uses, and discloses information when you use the Tinitun App services. We respect your privacy and are committed to protecting any information you provide while using our Tinitun App. By using the Tinitun App, you agree to the practices described in this Privacy Policy. If you do not agree with this Privacy Policy, do not access or use the Tinitun App or Tinitun™ Website.

Tinitun App assists patients, visitors, and staff navigate around the Alaska Native Medical Center (“ANMC”) campus by helping them locate appointments, shuttles, parking options, and other campus destinations, and by providing certain information about the ANMC campus in Anchorage, Alaska. This Privacy Policy applies only to data collected via our Tinitun App and our Tinitun™ website at <https://www.anmc.org/tinitun> (“Tinitun™ Website”). This Privacy Policy does not apply to third party products or services used in connection with the Tinitun App or Tinitun™ Website (“Services Providers”), which are governed by each Service Provider’s privacy policy. This Privacy Policy is meant to help you understand what information we collect, how we use that information, third parties with whom we may share the information, and why we collect it. If you use the Tinitun App, then you agree to the collection and use of information as set forth in this Privacy Policy.

WHAT INFORMATION DOES THE TINITUN APP COLLECT?

When you use the Tinitun App or Tinitun™ Website, we may collect analytics information by automated means, such as the following: the number of times a user opens or closes the Tinitun App; the number of times a particular directory tile was selected; page load times; crashes; time on pages; page views; number of clicks on certain pages; site navigation patterns; device platform usage (android vs. iOS); operating system version; and general geographic location (such as State and city) from which a user accesses Tinitun App. We may integrate third party software with our Tinitun App for purposes of collecting certain analytics information to improve functionality.

We engage Service Providers to provide analytics services for the Tinitun App and Tinitun™ Website. These Service Providers may use cookies, web beacons, device identifiers, and other technologies to collect information about your use of the Tinitun App and Tinitun™ Website, including your IP address, web browser, mobile network information, pages viewed, time spent on pages or in mobile apps, links clicked, and conversion information. This information may be used by us and others to, among other things, analyze and track

data, determine the popularity of certain content, and better understand your online activity.

HOW DO WE USE THE INFORMATION WE COLLECT?

We use the analytics information to maintain the App, troubleshoot, improve performance and functionality, and development enhancements and new features to Tinitun App functionality. This analytical information is anonymized and aggregated with other information so that neither you nor your device may be identified.

RETENTION.

We keep button click information only and we do not remove it. It is not tied to users but is an event for example this button was clicked by someone on this kind of phone. When information is no longer needed, we will delete or anonymize it where reasonably practicable.

INTERNATIONAL DATA TRANSFERS.

Information may be processed and stored in jurisdictions other than your state or country. By using the App, you consent to such transfers where permitted by law.

WHEN DO WE SHARE INFORMATION?

We may share and disclose information we collect about our users in the following limited circumstances:

- We may share information with third party Service Providers, vendors, and consultants who we employ to perform tasks on our behalf. These companies include app analytics companies (e.g., Google Analytics), data collection vendors (e.g., Firebase), and mobile wayfinding app developers (e.g., MedMaps), and others.
- Under certain circumstances, we may be required to disclose Personal Information if we believe the disclosure is in accordance with, or required by, any applicable law, including lawful requests by public authorities to meet national security or law enforcement requirements.

- We may share aggregated information and non-identifying information that cannot reasonably be used to identify you.

DATA SECURITY.

We implement reasonable administrative, technical, and physical safeguards designed to protect information from unauthorized access, use, disclosure, alteration, or destruction. However, no method of transmission or storage is completely secure, and we cannot guarantee absolute security.

SERVICE PROVIDERS

We use third party Service Providers and products to help us provide the services related to the Tinitun App and Tinitun™ Website. Service Providers may help us:

- Collect analytics data for our use.
- Assist us in performing product development, maintenance, and debugging.
- Provide services through third party platforms and software tools (e.g., integrating third party software with our Tinitun App or Tinitun™ Website).
- Assist us in analyzing how the Tinitun App and Tinitun™ Website are used. These Service Providers have limited access to your information to perform these tasks on our behalf, and are contractually bound to protect it and may not use the information for any other purpose.

Links to Other Sites: Tinitun App may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the privacy policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

WHAT'S OUR POLICY ON CHILDREN?

The Tinitun App and Tinitun™ Website are intended only for adults. We do not knowingly collect information from children under the age of 13. Any child under the age of 13 should not use the Tinitun App or Tinitun™ Website. If we learn Tinitun™ has collected personal information from a child under the age of 13, we will promptly delete this information.

WHAT ARE YOUR CHOICES?

Location Information: When you first launch the Tinitun App, you will be asked to consent to the app's collection of location information. If you initially consent to our collection of such location information, you can subsequently stop the collection of this information at any time by changing the preferences on your mobile device. You may also stop our collection of this location information by following the standard uninstall process to remove the Tinitun App from your device. If you stop our collection of this location information, the location features of our Tinitun App may no longer function properly.

Cookies: Most web browsers are set to accept cookies by default. If you prefer, you can usually adjust your browser settings to remove or reject browser cookies. Please note that removing or rejecting cookies could affect the availability and functionality of our Tinitun App or Tinitun™ Website.

CHANGES TO THIS PRIVACY POLICY.

We may update or change our Privacy Policy from time to time without notice, so please review it periodically to keep informed of any changes and to ensure you are always aware of our information practices. If this Privacy Policy changes in any way, we will post an updated version on this page and/or link.

YOUR RIGHTS.

Depending on applicable law, you may have rights to access your personal information, correct inaccurate information, delete your information, object to certain processing activities, or request a copy of your information. To exercise these rights, contact us using the information below.

WHO SHOULD YOU CONTACT WITH QUESTIONS?

Contact Us. If you have any questions or concerns about this Privacy Policy, please contact us (the Alaska Native Tribal Health Consortium) as follows: Tinitun@anthc.org.
