

within 72 hours, including weekends and holidays, after receiving medical treatment.

3. If you are traveling out of the United States, you may be required to pay for the emergency medical care up front. Notify ANMC PRC within 72 hours and provide the receipts.
4. The patient has 30 days to submit supporting documents, these may include medical bills (patient statements), medical records, flight itinerary or boarding pass, and proof of eligibility within 30 days of receiving medical treatment for all out-of-state medical care received.
5. It is the patient's or their family's ultimate responsibility to ensure PRC receives all claims and applicable health insurance information in a timely manner. Other documents for dependents and/or non-AN/AI women pregnant with AN/AI man's child include: birth certificate, marriage certificate or other document establishing paternity.

Your request for coverage will not be reviewed until all necessary documentation is received to determine if you are eligible for PRC services and care meets criteria for a medical emergency. Coverage may be approved or denied based on the documentation. Federal regulations mandate that PRC is payer of last resort. You may be contacted for health benefits screening or to verify primary insurance coverage.

How do I contact PRC?

For questions regarding ANMC PRC's Traveler program or to provide your 72-hour notice, call the ANMC PRC office at (907) 729-2470 or 1-800-478-1636. If the office is closed, leave a detailed message and include the patient's name, date of birth and contact phone number.

You may also go to <https://anmc.org/patients-visitors/prc/#contact> and submit an online message to ANMC PRC.

Purchased Referred Care Traveler Program

ALASKA NATIVE
MEDICAL CENTER

Are you traveling out of Alaska anytime soon?

ANMC Purchased Referred Care (PRC) offers limited benefits to eligible AN/AI patients to help with emergency medical care while traveling outside of Alaska.

Who is eligible?

Patients who meet ANMC's eligibility criteria and residency requirements qualify. To meet residency requirements, the individual must reside in Alaska, not have been absent from Alaska for more than 180 days, and intend to live in Alaska indefinitely. Individuals who move back to Alaska must live in Alaska for at least 180 days, with the intent to remain indefinitely.

Other criteria for eligibility includes proof of Tribal enrollment or descent. Legal dependents of AN/AI people, including foster children, adopted children, and non AN/AI women who are pregnant with an AN/AI man's child are also eligible (additional documentation is required).

If you are moving, ANMC PRC is only able to provide coverage for emergent medical services for 180 days from the date you left Alaska.

Contact your local PRC office if your permanent or last place of residency is in the service areas of the Tanana Chiefs Conference, Ketchikan Indian Community, Metlakatla Indian Community or SouthEast Alaska Regional Health Consortium.

What is covered?

The traveler program **may** help patients cover the cost of emergency medical care while traveling outside of Alaska, including traveling outside of the United States. **Emergency is defined as any medical condition for which immediate medical attention is necessary to prevent the death or serious impairment of the health of the individual. Further care beyond initial emergency may not be covered. Contact PRC case management with further questions and discharge planning. Scheduling outpatient care, beyond emergent event, will not be authorized**

What is not covered?

Services not covered include: non-emergent care, routine care, dental care, medications purchased while traveling, inpatient and outpatient mental health services, or inpatient and outpatient substance abuse services.

For a full list of who and what is covered, please visit <https://anmc.org/patients-visitors/prc/>.

What do I need to do?

1. Prior to your travel verify if there is an Indian Health Service (IHS) or Tribal facility close to where you are traveling. If an IHS or Tribal facility is not available for emergencies, seek care at the closest medical facility. To find the nearest IHS facility, visit www.ihs.gov/locations. More information for ANMC Health Benefits Specialists can be found at <https://anmc.org/patients-visitors/hbs/> or by calling (907) 729-5696.

PRC is payer of last resort. If you have

health insurance coverage, it is your responsibility to provide that information to the provider and PRC. Make sure your health benefits screening is up to date and reflected in your ANMC medical record.

Take care of routine medical needs such as immunizations, physicals and medication refills prior to travel.

2. **The patient or the patient's family has the responsibility to notify ANMC PRC**
